<p><u>Minutes Review:</u></p> <ul style="list-style-type: none"> ○ A review of the last meeting minutes will be done at the next meeting. <p><u>Discussion Items:</u></p> <ul style="list-style-type: none"> • <u>Digital Citizenship by Luis Carrillo and Myles Allen</u> <ul style="list-style-type: none"> ○ A Digital Citizenship hand out distributed regarding why the district preps students and why this was brought up by Dr. Moore. ○ It was confirmed that the badge is tied to curriculum; The group was informed about two lawsuits against the district due to the problem of students not being responsible with technology at school. There was a roll out of reasons why this is happening –some examples: cost of internet and lawsuits; CNTA asked for a percentage of students who are involved; It was confirmed that the district has 12,000. In order to get a discount (newest), 100% of kids need to be involved. • <u>Bring your own device (BYOD)</u> <ul style="list-style-type: none"> ○ What can they access, what if they do not have it, and what is the board policy were the questions discussed. It was confirmed that the district doesn't have an actual school capable but there is a pilot. ○ A FAQ sheet was presented – AirWatches, Social Media, district policy, what steps are taken if kids and parents misuse BYOD, and how teachers are protected were the questions discussed. It was noted that student's content is recorded out of context; it was confirmed that Board Policy is coming regarding technology; Teachers need to be on this committee regarding Board Policy; Teachers will not be held accountable or responsible for misuse of BYOD, abuse of recording and/or out of context material. ○ CNTA needs to be a part of the process of developing policy from elementary to high school, including Special Education; there are many conversations regarding BYOD and the sign-up policy. 	<ul style="list-style-type: none"> • Minutes review for February and March • CAASPP testing update • Canvas training and follow up <div data-bbox="1430 1230 1900 1421"> <p>Next Meeting:</p> <p>April 20, 2018</p> </div>

- Intermediate Grading
 - When is semester grading collaboration done and when is notification given were questions discussed.
 - Historical info was presented and discussed regarding an elementary survey given (during early 2000s) and the results were to stay on trimester. Info was also presented regarding a survey given to intermediates several years ago. The group discussed what the next steps are if the intermediate survey results in a "no".
 - Sarah Ragusa agreed to look into the following questions: When is collaboration and/or when are decisions made? Is this a C & I Dept. responsibility or is it another department? Are these schools just told? When do teacher get input? Is elementary going to be next?
- College and Career Ready
 - Two handouts were distributed; Indicator/Dashboard - College /career index needs to be 70% in order to be blue on the dashboard; the group discussed Pathways; An explanation of CTE & CCI was discussed and group was encouraged to ask Gina Boster for more information; It was confirmed that lots of money is put into pathways at intermediate.
 - Regarding the CTE credential – it is not supplemented; It equals 3 c-sets & 1 class+ 3,000 hours within industry
 - It was confirmed that people with a single subject do not need this or need to manage hours; ROPC has changed funding, so many electives have been eliminated district wide.
