 - ii. Spent the summer attending conferences: President's conference and Summer Institute.
 - iii. Had a new teacher breakfast, we had 65 new teachers
 - iv. The magnets are from CNTA. The S day was printed on the wrong date. The district made the correction and will reprint them.
- b. Vice President's Report (5 min.)
 - i. Went to the President's conference and the NEA/RA
 - ii. We hosted a wellness day, very successful.
- c. Treasurer's Report (3 min.)
 - i. The budget was reviewed as of June 30th.
 - ii. Our unrestricted fund has a larger balance now than a year ago at this time.
- d. Executive Director Report (3 min.)
- e. Director's Reports* (15 min.)

- i. Tonya Spencer (Tk-3)
 1. Duty lottery situation
 2. RSP positions started full in elementary and overloading students
 3. Some schools did not get relief for CSR
 4. One year round school has uneven classes
 5. Iready is not ready at this point
 6. PBIS concerns and training during their lunch
 7. SPED mainstreaming issues are occurring
 8. Training for our new programs was not sufficient to learn how to implement the materials.
 9. Our new assessments: Iready (not for first tri K) & running records (k-2)
- ii. Jennifer DeVries (4-6)
 1. Discussed Staff Meeting and unions 10 min meetings
 2. 1st Wednesday is the only day the principals have say, the leadership teams cannot create the agenda for the remaining Wednesdays.
 3. Iready is very slow trying to log kids on
 4. Technology at certain school it is inadequate
 5. We have LCAP site funds for technology needs
 6. S and P days, some schools are having procedures being emailed out.
- iii. Middle school
 1. ELA adoption issues
 2. HM hard texts: not allowing access to login online and textbooks
 3. Temp contract teachers are not being treated well by the district
 4. Iready is taking about 3 hours per subject matter to test (3 ELA + 3 for Math)
 5. Our target rate is 38, but max kids are 42. If you have over class sizing if your total is over a specific number
- iv. Chris Rodriguez high school
 1. Facility and safety issues: please talk to admin first, if not resolved then come to CNTA.

2. If you are being asked by your principal to do something you're not sure about ask them to show you in your contract where you need to do that task.
 3. Issues with staffing, CTE, buying/selling preps
 4. SPED with improper placement, please discuss with your team first and if necessary call an IEP meeting
 5. Measure in GG and how that money is being spent
- v. Angela Thomas Special education and Support Services
1. A school site that admin said they won't work as an interpreter and they need to get one of the 2 district interpreters.
 2. When you call SPED the answers to questions are not unified.
 3. Clarity regarding year round school, extreme amounts of meetings.
 4. Parents are wanting teachers to be a one on one for an individual student
 5. 35 day evaluations for support services, some of the things they are being evaluated
 6. DH/H has no cap on the amount of students they have
