##### **B. Vice President's Report**

See her report of activities/calendar. Feels the teachers are overworked and undervalued when she visits the schools. Meg wants a transparent process for the members to see how custom calendar is filled.

##### **C. Treasurer's Report**

Went to the Leadership conference and attended the treasurer training. More paperwork to come for changes. Kristin will present information about the bank situation next month. We are solvent. See the balance sheets. Chris Jessup had questions about not getting reimbursement. Chris Rodriguez called him out of order. Betsy Jara moved to challenge the "out of order". Martha seconded. Chris Jessup laid out what happened with NEA trip receipts. Motion on the floor to move on with the agenda. Marjorie seconded. Motion carried.

##### **D. Directors Report**

Michelle Gardner (Elementary K-3 Director) Kindergarten teachers should not give up lunch or conference time in order to cover lunch on minimum days. We can't pay our subs as much to recruit more. Not enough for the running record testing in primary. Master teachers will need to go through training, but this will limit the number of teachers who will have student teachers. Contact Bill Fischer or Cindy Ermine. Supply orders are being sent back. You don't have to sign a bad evaluation, but it will go in your file; attach a rebuttal.

Jennifer Devries (Elementary 4-6 Director) Concerns with timeline for report card and grading period. She's currently working worked with C&I for some resolution for 2<sup>nd</sup> and 3<sup>rd</sup> trimester. I Ready assessments are done through C&I. Check with Jennifer Bourgeois. Administration not on campus, so teachers are having to take care of the discipline issues. General classroom supplies are to come from the general fund, not from Title I monies. Expanded learning classes afterschool are damaging classrooms. Talk to your principal or D.O. Question about "Leader in Me" training costs.

Jerry Goar (Intermediate Director) Jennifer Gyford filling in. Teachers having to go to Long Beach for training, having to leave at 4:30 AM to get there. Can't fill out timecard for overtime. Academy problems with duty of 3 weeks on one week off. General Ed teachers are being asked to sit through the entire IEP even afterschool.

Chris Rodriguez (High School Director) Worked on nomination to replace Chris. Tami Lincoln's name will move on to the E Board for confirmation.

Angela Thomas (SpEd/Support Services Director) Counselor concerns 11/14 at 3:30 for meeting. Adapted PE teacher on leave does not coverage. Paper and ink needs for SpEd for IEPs. Not given consideration for positions in General Ed when they want a different position.

Confusion about the voting. Notetaking and facilitating at an IEP should be done by two people. Questions about the Autism program. We need more nurses. Full caseloads in Resource.

E. State Council Report- next month. They meet at the end of October.

Breakout into representative groups 4:38-4:51.

**V. Adjournment**

Martha Santos moved to adjourn. Nichole Lockhart seconded. Motion carried. Meeting adjourned at 5:38 PM.
